The Eau Claire Leader Telegram brought in over \$5,925 in commissions selling the statewide networks from June 2008 - June 2009!

"We love the Wisconsin Newspaper Networks because they offer such a simple way to reach potential customers in just one region or the entire state (and are profitable too)! Our customers would have to spend a ton of time to get their ads placed in all the participating newspapers without this program. Now they just call us and we can get it done in minutes. The staff is great to work with too!"
